

## Alphabetical list of physicians and their convention status

(Situation as per March 2018) – Though the highest care has been paid to edit an accurate overview, the OLV Hospital stresses that this information has only an indicative nature. The OLV Hospital assumes no responsibility for any information on this overview that would not be correct. At any given time, the correct information about a physician's adherence to the convention, can be found on the Inami website: <https://www.riziv.fgov.be/webprd/appl/psilverpages/nl>
